WE are pleased to present you with this, our new catalogue, which is revised up to date.

Our stock is now larger, and service complete, and we hope for a more liberal share of your patronage.

Notice.

DO not address communications to individuals intended for the firm, but address us by our correct firm name.

Do not mutilate or remove samples furnished you. We aim to keep our stock uniform, and in ordering, a description as given on samples is sufficient, unless something special is wanted.

Shipping Directions.

ALWAYS state whether you want your goods shipped by freight or express.

When no directions are given, we will send according to our best judgment.

All goods shipped by freight will be shipped by the quickest route and at owners' risk.

Corrections.

WHEN orders have been filled incorrectly or an error made in invoicing, give date of invoice in directing our attention to it.

No claims allowed unless reported direct within five days after receipt of goods.

C. O. D. Shipments.

GOODS may be sent C. O. D. by express or freight; small shipments and at short distances should be sent by express. Customers are to pay charges on money returned when goods are shipped by express.

Strangers sending us orders must advance money enough with order to cover at least half of the amount of the bill and express charges both ways, as a guarantee that goods will be taken upon arrival.

How to Order.

YOU cannot be too careful in ordering. Always mention quantity, size, weight, color and quality of stock wanted as described in this catalogue, and when stock is to be cut to special sizes, have the figures plain to avoid errors.

Terms.

STRICTLY cash, unless otherwise agreed.

Interest charged on all accounts not settled when due.

We allow 2 per cent. for cash, if remitted within ten days from date of invoice.
